Stock CSV Upload

Stock CSV's are uploaded through the "Upload CSV" tab of the "Stock Consignment" page in the Selazar portal.

Each row represents a stock item where attributes can be specified for a consignment before it arrives for Inbound Stock Processing.

Below is a list of the available fields in the Stock Upload CSV Template

Item Details

Descriptive identifiers for stock item.

Field	Description	Required	Format
Name	Item name. Should match name for stock item in the Selazar portal.	YES	Alphanumeric
